2026 · THE FIRST RECEIPTS

The preseason board meets one week of evidence: three 147-plus eruptions, two 11-point grinders, and industrial-grade bench malpractice.

MATCHUP OF THE WEEK

THE MANIACS 124 – GOOCH CANAL 113

Two Salois & Yaggy contenders traded haymakers until Jahmyr Gibbs's 33 and Justin Jefferson's 31 outlasted Ashton Jeanty's 32. Gooch Canal got one point from Jaylen Waddle and left David Montgomery's 28 on the bench — an 11-point margin decided by a single flex slot.

1 – 

The Dylan Panthers

1–0 · Holler 1st · 150 PF · W 150–97 vs We Are Here

The Panthers led the league at 150 behind Josh Allen's 35, Chris Olave's 28 and Jonathan Taylor's 24, and still left 31 points on the bench with D'Andre Swift and Dalton Kincaid watching.

2 ▲ 6 

New England Patriots

1–0 · Salois & Yaggy 1st · 149 PF · W 149–95 vs Mia Hamsters

The Patriots turned a preseason No. 8 slot into the week's biggest beating, with Bijan Robinson, Jaxon Smith-Njigba, Lamar Jackson and Dallas Goedert all clearing 23 and only four bench points wasted.

3 ▼ 1 

The Fins Maniacs

1–0 · Salois & Yaggy 3rd · 124 PF · W 124–113 vs Gooch Canal

The Maniacs survived Gooch Canal by 11 on Jahmyr Gibbs and Justin Jefferson, then found 100 points rotting on the bench. Jalen Coker, Patrick Mahomes and Deebo Samuel make this the deepest roster here.

4 ▲ 2 

The Mitchell Mishaps

1–0 · Salois & Yaggy 2nd · 147 PF · W 147–121 vs SBC

The Mishaps hung 147 on SBC with Kenneth Walker, Amon-Ra St. Brown, Jaxson Dart and Trey McBride, plus a Chargers defense that contributed nothing. A 14-point bench means every start had better hit.

5 ▲ 5 

The Short Bus Crew

0–1 · Holler 3rd · 121 PF · L 121–147 vs The Mishaps

SBC lost by 26 and still looks improved: Derrick Henry's 34, Trevor Lawrence's 25 and a $50 Kaelon Black haul. Christian Watson's 32 sat behind Rome Odunze's seven, which is its own punishment.

6 ▲ 1 

Omar Malik / Gooch Canal

0–1 · Salois & Yaggy 4th · 113 PF · L 113–124 vs The Maniacs

Gooch Canal fell 11 short with Ashton Jeanty's 32 wasted by Jaylen Waddle's single point. David Montgomery and Stefon Diggs supported 32 more lineup points, and Caleb Douglas arrived for $9.

7 ▲ 2 

Dirk's Squad

1–0 · Holler 2nd · 104 PF · W 104–93 vs The Greaseheads

Dirk's Squad won an 11-point grinder without a starter topping Nico Collins's 20 — Collins now chirping fans on Twitter about his hamstring — while Brock Purdy and Kyle Monangai each posted 20 from the bench.

8 ▼ 3 

Team We Are Here

0–1 · Holler 4th · 97 PF · L 97–150 vs The Panthers

We Are Here scored 97 and benched 94, with Caleb Williams's 36, Isaiah Likely's 27 and Parker Washington's 19 all idle. The roster is not the problem here; the lineup card is.

9 ▼ 5 

Mia Hamsters

0–1 · Salois & Yaggy 5th · 95 PF · L 95–149 vs The Patriots

Mia Hamsters got 26 from Zay Flowers and just 30 combined from Joe Burrow, Christian McCaffrey and Ja'Marr Chase in a 54-point loss. Chuba Hubbard and Jakobi Meyers supported 22 more points.

10 ▼ 7 

Halloween Greaseheads

0–1 · Holler 5th · 93 PF · L 93–104 vs Dirk's Squad

The Greaseheads bottomed out at 93, lost A.J. Brown to injury, then tried to shove him through a conveniently timed IR roster-spot rule change. DJ Moore and Matthew Golden outscored both starting wideouts.
